Heading north,

away from the village's central square, one comes across the church of St

This church

can be architecturally characterized as a registered size of temple,

However, the artistic manner of its buildup cannot be analyzed further, due to the coating on the walls.

The one and only part of the wall's paint which has been removed, clearly points to the assumption

Noteworthy is the fact that ~~the wall was ready in the year 1629~~ **and the wall was ready in the year 1629**, stating that this house of God

The exact location of the [Map](#) Holy Church can be tracked in the section: □
